HydraSoy
NATURAL ROOF REJUVENATION

Safety Data Sheet
HydraSoy Natural Roof Rejuvenation Treatment

Section 1: Identification

Product Name: HydraSoy Natural Roof Rejuvenation Treatment

Recommended Use: Asphalt shingle roof rejuvenation treatment

Manufacturer: HydraSoy Solutions LLC

Emergency Contact: 833-343-8769, info@hydrasoy.com

Section 2: Hazard(s) Identification

Classification of the substance or mixture

Not classified as hazardous under OSHA Hazard Communication Standard (29 CFR 1910.1200)

GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

Other hazards which do not result in classification

Not a hazardous substance or mixture.

Section 3: Composition / Information on Ingredients

- Proprietary blend of soy-based oils and bio-additive emulsifiers. Specific composition withheld as a trade secret.

The specific chemical identities and/or actual concentrations or actual concentration ranges for one or more listed components are being withheld as trade secrets under the US regulation 29 CFR 1910.1200(i).

Section 4: First-Aid Measures

Description of necessary first-aid measures

Eye Contact: Rinse with water for at least 15 minutes. Get medical attention if symptoms occur.

Skin Contact: Wash with soap and water.

Inhalation: Move to fresh air if needed. Do not induce vomiting. Rinse mouth with water. Consult a physician.

Ingestion: Do not induce vomiting. Call a poison center or doctor if you feel unwell.

Section 5: Fire-Fighting Measures

- Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide..
- Wear self-contained breathing apparatus for firefighting if necessary.

Safety Data Sheet
HydraSoy Natural Roof Rejuvenation Treatment

Section 6: Accidental Release Measures

- Absorb with inert material and clean thoroughly. Product may create slippery surfaces.
- Ensure adequate ventilation. Use personal protective equipment. For personal protection see section 8.
- Soak up with inert absorbent material (e.g. sand, silica gel). Keep in suitable, closed containers for disposal.

Section 7: Handling and Storage

- Store in a cool, dry place away from sunlight. Keep container sealed when not in use.
- Avoid contact with skin and eyes. Do not eat, drink or smoke while handling.
- Wash hands with soap and water after handling.

Section 8: Exposure Controls / Personal Protection

- Gloves and eye protection recommended during application.
- Provide good ventilation. Respiratory protection is not required under normal use conditions.
- Use outdoors. Use recommended spray equipment to keep exposures low.

Section 9: Physical and Chemical Properties

Appearance: Liquid

Consistency: Elmers glue/liquid school glue

Color: White

Odor: Mild soy oil

Solubility: Water

No other data available.

Section 10: Stability and Reactivity

- Stable under normal conditions.
- Avoid extreme heat, open flame, and strong oxidizing agents.

Section 11: Toxicological Information

Not expected to present significant health hazards when used as directed.

Acute toxicity: Likely routes of exposure: Eye contact, Skin contact, Inhalation, and Ingestion.

Based on available data, classification data are not met. See section 4.

Skin corrosion/irritation: Based on available data, classification data are not met.

Serious eye damage/irritation: Based on available data, classification data are not met.

Respiratory or skin sensitization: Based on available data, classification data are not met.

Germ cell mutagenicity: Based on available data, classification data are not met.

Carcinogenicity: This product is or contains a component that is not classifiable as to its carcinogenicity based on its IARC, ACGIH, NTP, or EPA classification.

STOT-repeated exposure: Based on available data, classification data are not met.

Reproductive toxicity: Based on available data, classification data are not met.

STOT-single exposure: Based on available data, classification data are not met.

Aspiration hazard: Based on available data, classification data are not met.

Section 12: Ecological Information

Biodegradable, bio-based formulation.

Toxicity: No data available on product

Persistence and degradability: No data available on product

Bioaccumulative potential: No data available on product

Mobility in soil: No data available on product

Results of PBT and vPvB assessment: PBT/vPvB assessment not available as chemical safety assessment not required/not conducted

Endocrine disrupting properties: No data available on product

Section 13: Disposal Considerations

Disposal should be in accordance with applicable Federal, State, and local laws and regulations. Local regulations

may be more stringent than State or Federal requirements. Do not reuse containers.

Section 14: Transport Information

Not regulated as hazardous material.

DOT (US): Not dangerous goods

IMDG: Not dangerous goods

ATA: Not dangerous goods

Section 15: Regulatory Information

Not classified as hazardous under OSHA criteria.

SARA 302 Components: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

SARA 313 Components: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

SARA 311/312 Hazards: No SARA Hazards.

Massachusetts Right to Know Components: No components are subject to the Massachusetts Right to Know Act.

Pennsylvania Right to Know Components: No components are subject to the Pennsylvania Right to Know Act.

New Jersey Right to Know Components: No components are subject to the New Jersey Right to Know Act.

California Prop 65 Components: This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

No chemical safety assessment has been carried out for this substance/mixture by the supplier.

Section 16: Other Information

Information is provided in good faith based on available data. The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigation to determine the suitability of information for their particular purposes. In no event shall HydraSoy Solutions LLC be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, whatsoever arising, even if HydraSoy Solutions LLC has been advised of the possibility of such damages.
